3. Father's Day card

You're going to need: <ul style="list-style-type: none">• Rocket template• Cardstock paper (cartulina) Choose any colour you want ;)• Colour markers• Scissors• Glue	Moon
	Rocket
	Stars
	Triangle
	Circle
	Square
	Rectangle

THE SHELLS SHE SELLS ARE SEA SHELLS FOR SURE.

Steps:

- 1. Print the rocket template I sent you.**
- 2. Colour the shapes.**
- 3. Cut the shapes.**
- 4. Fold the square in half.**
- 5. Colour the back of the square - which is now a rectangle ;)**
- 6. Glue the rectangle (rocket) in the middle of your cardstock paper.**
- 7. Glue the rest of the shapes. The big triangle goes on top of the rocket and the small triangles on the side of the rocket (one on each side). Glue the circle windows onto the rocket.**

**8. You can draw yourself and your dad on the
inside of the rocket.**

**9. Give the card to your dad and tell him how
much you love him =)**

“Dad, I love you to the moon and back!”

Happy Father's Day!

Dad, I love you
to the moon and back!
